A belated congratulations to this year's spell bowl team members: Haileigh Allen, Haven Berger, Lucas Bilbrey, Sarah Glunt, Maycee Grasse, Riley Hutchens, Gunner Kirschbaum, Miley Ludwig, Isobel Murray, Hollie Owens, Bayleigh Phelps, Bryson Webb, and Parker Wilson.

From The Nurse

We have something new happening at Randolph Southern this year. The school will have acetaminophen, ibuprofen, cough drops and an antacid available for your child. You must fill out the green form that is coming home today, check the boxes, sign it and return it to school. Please read the information on the slip because there are some guidelines for the medication. We want to help our students feel their best so they can learn learn learn!!!! If you have any questions, please feel free to contact me. If you know you have already filled a form out you do not need to fill out another one but if you are unsure please fill it out and send it back.

A Mobile Dentist form is also coming home today. The dentist will be coming to the school on Oct 9th. This is a great opportunity if your child(ren) do not have a regular dentist. Please read the information as the visit could be free, you can apply for donated care, pay a reduced fee, full fee or if you have insurance, the Mobile Dentist will bill them. We have so many students that could benefit from this program and very few take advantage of it.

Counselor's Corner

Hello! If you have been to the school lately, you probably have noticed that the Murray family is expecting an addition! Starting sometime next week, I will be out for maternity leave for 6 weeks. Thankfully, I have a substitute counselor taking my position, and some of you may know her well! Jerrica Govin will be covering all of my duties as the school social worker, ranging from meeting with my caseload individually, to providing guidance lessons for classes, to being there in times of crisis for your children. After meeting with her, I have 100% faith in her as a social worker and as a staff member who will love and care for your children as much as I do. I look forward to returning to the school sometime in November, and will enjoy bonding with the newest Murray member while I'm away. Thank you!!

Mrs. Murray
