

The Dixie

Vol. 3, September 18, 2020

* ATTENTION! *

The Indiana Department of Education is requiring all schools to collect Verification of Indiana Residency documentation for all of our students.

Randolph Southern will have 2 ways for this to be completed. Parents/Guardians can bring a document to the school for us to make a copy of or you can take a picture and send an email to rsvor@rssc.k12.in.us

The school corporation will need one document from the following list that shows **your name and the physical address of the parent/guardian with a date no earlier than July.** For your privacy, please cover up other details related to account numbers or social security information.

Possible documents:

Utility or phone bill

Bank Statement

Mortgage Statement

Rental/Lease Agreement

Medical Bill

Other: Information that provides a verifiable address (ie internet provider bill, credit card bill, etc.)

*Parents/Guardians choosing to send the document via email, please include the name of the student(s) in the subject or body of the email.

Free Lunch and Breakfast

Randolph Southern Families,

We wanted to let you know that Randolph Southern Schools have been approved for a program that will allow us to serve all students a free breakfast and lunch until the end of December.

This program began on Monday, September 14. All students will be served a free meal when they go through the line. If a student wants an extra, those will need to be paid for. All lunch accounts will carry over.

The Dixie

Title I Parent Meeting

September 21, 2020, we will have our annual Title I parent meeting at 5:00 p.m. At this time, we will discuss services and qualifications.

Mr. Allen

Note from the Nurse

September is Better Breakfast Month, so how awesome is it that breakfast for all of our students is now free until the end of December!!!! We hope many students take advantage of this. Consuming a well-balanced breakfast in the morning gives our bodies energy to start the day off the right way!!! Kids who have a healthy breakfast perform and behave better at school. A complete breakfast should contain a balance of protein, dairy, fats and carbohydrates. Let's all start our days off in a great way!!!!

Promise Indiana

- 3rd Grade

- Great news! The 3rd Grade deadline for enrolling your student in the Randolph County Promise 529 College Savings Plan has been EXTENDED through the end of the semester! If you enroll before Thanksgiving Break (*Wednesday, November 25*), you can even help your teacher earn a reward!

- Keep your eyes and ears open to see when we schedule our own Champion Week! This week gives your student the opportunity to have their donations matched up to a certain amount. You won't want to miss out on this!

- 4th Grade

- We haven't forgotten about you! If you haven't already signed up for the RCP program, now is your chance! The 4th Grade deadline to enroll is September 28, 2020 :) Keep your eyes peeled for paperwork being sent home on what to do to complete enrollment!

Dates to Remember...

September 21 - Title I meeting at 5:00

September 22 - Jr High Cross Country vs Driver Jr. High/Union City @ 5:00

September 28 - 4th Grade Randolph County Promise enrollment deadline

October 2 - Prize Drawing for 2019/20's PTO candy fundraiser
