NOW REGISTERING

IN OUR CARE, YOUR CHILD WILL RECEIVE

- A clean safe environment
- A healthy snack
- Homework support
- Curriculum focused on our four core values (caring, honesty, respect, & responsibility)

The Randolph County YMCA Before and After School Program serves school-aged children with a variety of programs and activities to explore healthy lifestyle choices and develop their interests and talents. Led by qualified, caring staff, the After School Program is located right at your child's school. There your child will receive help with their homework, participate in games and activities and grow creatively through projects.
